¹ School refused to fill out U.S. News statistical survey. Data that appear may be from school in previous years or from another source such as the National Center for Education Statistics.

² SAT and/or ACT not required by school for some or all applicants.

³ In reporting SAT or ACT scores, the school did not include all students for whom it had scores or refused to tell US News whether all students who had scores were included.

⁴ Previous year's data was used in the ranking calculation (average alumni giving rate).

⁵ Data based on fewer than 51 percent of enrolled freshmen (freshmen in top 10% of High School class).

⁶ This rate (actual graduation rate), normally based on 4 years of data, is given here for less than 4 years because school didn't report rates for the most recent year/years to U.S. News.

⁷ SAT and/or ACT may not be required by school for some or all applicants, and in reporting SAT/ACT scores, the school did not include all students for whom it had scores, or refused to tell US NEWS whether all scores had been included.

** Purdue University - Northwest was created from the recent merger of Purdue University - Calumet and Purdue University - North Central. Information for Purdue University - Northwest is currently unavailable.
