<sup>1</sup> Ranking based upon 2000 data.

<sup>2</sup> Entry level courses in these departments begin at the 200 or 300 level and are included in the ranking (this is the first year 300 level courses has been included).

<sup>3</sup> The ratio for Accounting decreased sharply in Fall 1999 over previous years, due to the BUS designation (BUS generated 144 student FTE).

<sup>4</sup> Individual units within the School of Business can no longer be disaggregated due to reorganization.

Notes: (1) When values are identical, tied ranks are used.

(2) FTE Budgeted Faculty consists of all tenure/tenure track positions budgeted for the 1999-00 academic year.

(3) FTE Instructional Faculty consists of individuals teaching courses and is equal to Course FTE + Instructional Support FTE.

(4) FTE Students consists of the SCH generated divided by 15 (UG) and/or 12(GR); these figures are then added together for a total student FTE.

(5) Figures used for Tables 3 and 4 based on total credit hours produced by the department.
