in voting in local, state and national elections (Freshmen)						
in voting in local, state and national elections (Seniors)						

XII. ACCREDITATIONS						

NOTE: All current operating expenditures are accounted for as administrative department funds, so no monies shown here. N/A=Not Applicable or Not Available, NC=No Change

NOTES AND SOURCES

Unless otherwise noted, data source is official Banner tables

VOLUME - Headcount and FTE = of students majoring in the department. **Distance Only** = headcounts of students majoring in the department who are enrolled **only** in distance courses (Web, IHETS, correspondence and ICN).

DEMAND - Figures for applied and admitted are slightly different than Office of Admission's Final UG Admissions Report due to timing of when data was extracted from Banner. Freshmen and Transfers: Fall 2000 data unavailable. Graduates: Applied and admitted data not available.

INSTRUCTIONAL LOAD BY FACULTY TYPE - T/TT Actual FTE = the number of T/TT faculty teaching. In 2003, 0.5 FTE was deducted from all departments to reflect chairperson administrative assignments; in 2004, this number was adjusted for all administrative and grant assignments approved by the dean and provost. **Actual FTE for all other categories** : for 2000-2003: Direct Instructional + Instructional Support FTE reported by the department chairperson in the Distribution of Effort Reports; for 2004: Actual FTE = 1.0 for Full-time temps; for all others, FTE is calculated based on instructional assignments (12.0 credit hours = 1). Indiana College Network personnel are counted as 0.0 FTE. **S/F Ratio** = Student FTE / Total Actual FTE. Source: Headcount, FTE and SCH data - Fall Instructional Load and Distribution of Effort Report.

FINANCIAL - Fringe benefits figures based on average of 30% of salaries & wages. SCH are those generated by courses within the department. Sources: ISU Budget Office, Staff Benefits & Registrar

COURSE INFORMATION - Student Credit Hours (SCH) is based on official enrollment * credit hours for all courses offered by the department (per official report files). Avg section sizes exclude arranged courses (on-campus courses with no meeting days or bldg/room). Combined courses (multiple courses or sections meeting at the same place/time such as cross-listed courses, 4/500 level, etc.) are counted only once and are included in the category (Upper division, lower division, etc) with the majority of enrollment. **Distance Courses** = headcounts of students enrolled. **Day** = courses begin prior to 4pm; **Evening** = courses begin at 4pm or after; **Distance** = web, IHETS, correspondence or unknown. The **contribution ratio** is the ratio of the number of SCH generated by a department for other departments' majors to the total number of SCH generated by the department.

STAFFING - Only the last three years' worth of EAP and SS data provided; will add new data each of next two years to arrive at full five years of data. Source: ISU Budget Office

SUCCESS - Matriculants to Fall cohorts only. Omits (if enrolled in more than one cohort as a first-time freshman, included in only most recent cohort for tracking and other instances were omitted) and incarcerated data are not included in calculation of rates, so figures may be slightly different than those reported in the online Factbook. Students are counted in the department of the **original*** major program on record. Students with more than one degree are counted as recipients in the first awarded degree program on record, unless it is an Associate level program. Graduation rates are calculated as follows: a student is counted among the # of Graduates in the semesters after graduation. Students are not counted among # Enrolled if they are included among the graduates. * Retention and graduation rates calculated based on **original** major for this report. For rates based on **last** major of record, see Migration Report. **COHORT** = Cohort within range specified for measure; e.g., the Cohort 1 figure for the 1-Yr. Retention measure would be the percent of the 1999 freshman cohort who completed their first year, while the Cohort 1 figure for the 6-Yr. Graduation measure would be the percent of the 1994 freshman cohort who graduated within 6 years.

ACADEMIC PREPARATION - Department's first-time cohorts (first-time freshmen, transfers or graduate students with majors in the department per Fall official report files). **NOTE:** FTF = first time freshmen; FTT = first time transfers; FTG = first time graduate students.

TOP FEEDER SCHOOLS - "Top Feeder School" classification determined by combining all feeder schools' students from Fall 2000 through Fall 2004 and taking the top three from the totals. For Transfer Institutions and Previous Institutions, schools sending only 1 student in last five years are excluded from counts.

GRANTS & CONTRACTS - Source: Office of Sponsored Programs' Annual Reports

ENGAGEMENT - % respondents indicating 'very much' or 'quite a bit'. N's for most departments will be too small to be statistically significant. Source: NSSE surveys

ACCREDITATIONS - Source: <http://www.indstate.edu/acad-aff/accreditation.html>
