

**MASTERS PROGRAM
EVALUATION**

Graduate student program evaluation Please circle your response. PLEASE ALSO RANK THE IMPORTANCE OF EACH STRENGTH (1 THROUGH 8) AND WEAKNESS (1 THROUGH 8). THE GREATEST STRENGTH WOULD BE GIVEN A VALUE OF 1, AND THE LEAST VALUABLE STRENGTH WOULD BE GIVEN A VALUE OF 8. DO THE SAME FOR THE WEAKNESSES.

Student Strengths	Strengths Rank
1. some students are bright and most have the proper background needed Agree Disagree	_____
2. some are hard working and motivated Agree Disagree	_____
3. most have clear goals and a plan to get the skills they need Agree Disagree	_____
4. there is a diversity of backgrounds Agree Disagree	_____
5. students from some countries are better prepared Agree Disagree	_____
Program Strengths	
1. high quality projects Agree Disagree	_____
2. a high percentage of funded research Agree Disagree	_____
3. students receive individual attention Agree Disagree	_____
Student Weaknesses	Weaknesses Rank
1. students don't understand expectations Agree Disagree	_____
2. some students do not work independently or think critically Agree Disagree	_____
3. some students have poor communication skills (oral and written) Agree Disagree	_____
4. Many do not have the background to conduct thesis research Agree Disagree	_____
5. Many graduate programs at the University lack rigor, and some students try to adopt this culture Agree Disagree	_____
Program Weaknesses	
1. There is sometimes a relatively poor pool of applicants Agree Disagree	_____
2. The pool of qualified applicants is often small Agree Disagree	_____
3. There are not enough 600-level courses for non-thesis option students Agree Disagree	_____
