

Indiana State University

2006 - 2007 Academic Annual Report

Department of Communication Disorders

Vision Statement

[View/Modify Vision](#)

Below is your vision statement from previous years. Please take this opportunity to review it and if necessary update it.

The programs in Communication Disorders provide our students with a broad body of knowledge and extensive clinical experiences reflecting current best practices in communication science and disorders. Our students are a community of active learners who understand and can apply the scientific method to theoretical and applied problems in communication science and disorders.
