

**Indiana State University
Community Engagement Activities
Department Annual Report
2006**

Project Name:

Center for Economic Education

Description

The Center for Economic Education provides programs for professional development for K-12 teachers in the surrounding seven county area. It provides 4 or 5 "after-school" workshops per year, 1 or 2 workshops for area school corporations during in-service professional development days, and gives 2 or 3 longer (4 -8 day) workshops during the summer.

How do you see community engagement activities fitting in with your department in the future?
