

**Indiana State University
Community Engagement Activities
Department Annual Report
2005**

Project Name:
Indiana Reading Corp

Description

The Department of Elementary, Early and Special Education heavily engaged students in experiential learning through the practicum aligned with each of the blocks in the elementary education program. Community engagement is enhanced through the Indiana Reading Corp grant which providing of literacy tutoring services in the Vigo County Elementary Schools and the Vigo County Public Library.

How do you see community engagement activities fitting in with your department in the future?

The EESE department is continuously involved in community engagement through its various activities such as practicums, student organizations, and faculty service to the schools and the community.

What do you feel has been the impact of the project?

It has provided literacy tutoring to many elementary students to help them to read on grade level. Reading on grade level is one of the objectives of No Child Left Behind.
