2006**

Project Name:

Sport Biomechanical Analysis

Description

Receive and implement the Community Engagement and Experiential Learning Research Grants and School Fellow Grant for Community Sport Biomechanical Analysis- S. Vigo High School, N. Vigo High School, ISU Track & Field Summer Camp, St. Mary's of the Woods Basketball, Rose Hulman Track & Field, ISU Track & Field indoor and outdoor season, ISU soccer, ISU Volleyball. Install Dartfish Visualization software and provide training for students, faculty, and coaches.

How do you see community engagement activities fitting in with your department in the future?

We should be able to increase our participation. Our College has always been a model for this activity and student involvement.

Currently, RCSM is investigating a model of providing distance education to high school athletic directors.

What do you feel has been the impact of the project?

Currently under way-- no results as yet but appears positive.

Faculty involved with students in this project outside of class

Dr. Finch

Who from the community is involved?

High School Track Coaches, Isu Coaches in track, volleyball and soccer.

Who from ISU is involved?

Dr. Finch--Physical education Dept.

Number of Students	Where it takes/took place	Is this activity ongoing
25-50	ISU, Local High schools, Rose-Hulman, St. Mary's	No

Project Name:
Learn To Drive

Description

Over 400 students were educated in the Learn to Drive Programs, and the Drivers Ed courses are now offered via Satellite and the web.

How do you see community engagement activities fitting in with your department in the future?

Will continue

What do you feel has been the impact of the project?

We have done this activity for over 30 years. It continues to be the most successful and ongoing community engagement program we have going.

Faculty involved with students in this project outside of class

Stanley Henderson and Joe Mangia

Who from the community is involved?

High School Students and adults

Who from ISU is involved?

Mr. Stanley Henderson and Joe Mangia

Number of Students	Where it takes/took place	Is this activity ongoing
400 plus	Driver education facility	Yes
