

**Indiana State University
Community Engagement Activities
Department Annual Report
2007**

Project Name:

Clinical Learning Experiences

Description

Every medical-surgical, maternity, child health nursing clinical course involves one of 3 hospitals---Union, St. Vincent Clay, and Regional. The community health nursing course involves numerous agencies including Vigo and Clay community schools, West Vigo Community Center, Garfield Towers and other senior living centers, Ryves Hall, Lighthouse Mission, and some of the drug rehab programs. Our distance courses have students in numerous agencies both hospitals and community to fulfill the same clinical responsibilities.

How do you see community engagement activities fitting in with your department in the future?

It is the basis of our program

What do you feel has been the impact of the project?
