**The following is your vision statement loaded from previous submissions. Some administrative units, but not all, may wish to revise their vision statements based on the direction of the University toward pre-eminence. If this pertains to you, then please make changes in the box below:**

Distance Support Services Transfer Central Mission: To support Indiana State University's vision of building a preeminent public institution, Transfer Central and Distance Support Services facilitates recruitment, enrollment, and retention to support distance education and transfer students by focusing on quality relationships and connectivity to campus. Vision: Transfer Central and DSS endeavors to have a measurable impact by engaging in world-class quality customer service to distance/transfer students through the web site, the toll-free telephone number, emails, walk-in service at the counter, and face to face meetings at locales across the state and that builds the reputation of the institution in its innovative access for distance/transfer students. University Testing Mission: University Testing Office serves the Indiana State University community by providing accurate and timely information resulting from data collection and analysis, testing, and score reporting services.
