

Indiana State University

2005 - 2006 Administrative Annual Report

Student Health Center

Year in Review

Achievements

As you have heard, increasing public awareness of Indiana State University's accomplishments is crucial to building student enrollment, influencing policy makers, and developing a place of pre-eminence in the Midwest. What do you consider to be your department's accomplishments for the 2006-07 year that will contribute to this effort? (Please list in priority order and limit to no more than 8.)

1. Preventative Care: Meningitis monitoring, Tuberculosis surveillance, immunization compliance and influenza reporting. 2. Recruitment of professionals when salaries are not competitive. 3. Rapid intervention to meningitis exposure on campus. 4. Ability to continue services after fire to the department-set up clinic in Sandison. 5. Survey by American College Health Association 6. Participation in Effectiveness and Efficiency project. 7. Participation in Sycamore Advantage to prepare students to meet state immunization requirements.

Enrollment

What steps did you take this year to aid ISU in overcoming enrollment challenges?

As recorded in achievements. Keeping students healthy so they could continue to stay in classes and pay tuition.

Action Steps

Do you have any further progress you would like to report?

Action steps continue as in 2003-04. 1. Continued improvement and updating to the website. 2. Continue to provide educational information and materials to students visiting the Student Health Center 3. Continue to monitor the TB situation on the ISU campus.

Assessment

What are two ways in which you evaluated the quality or effectiveness in your area last year? What changes did you make based on those assessments?

We invited the American College Health Association to review our program. We have implemented having the Medical Director working more in the Student Health Center and have added a transportation option for students needing to go out to other medical facilities.

Budget

As you know, ISU is facing significant budget challenges. Finding ways to overcome these while increasing efficiency requires innovation. How are you overcoming your budget challenges this year?

For the second year in a row the Student Health Center has given up a full time position through attrition. We will be increasing the cost to students for services provided in the Student Health Center.

Strategic Initiatives

Development Activities

What role might your unit play during the silent phase of the comprehensive fundraising campaign?

don't know
