The following is your vision statement loaded from previous submissions. Some administrative units, but not all, may wish to revise their vision statements based on the direction of the University toward pre-eminence. If this pertains to you, then please make changes in the box below:

The vision for Hulman Center is to provide the best multi-purpose public venue possible for the ISU and Terre Haute communities. We will serve students, faculty, staff, alumni and the general public with an inviting environment, top-level services, and innovative and interesting programs. The vision for Tirey Hall is to provide facility and operational support for a significant number of academic and administrative activities. In addition, Tirey Hall, specifically Tilson Auditorium and Heritage Ballroom and Lounge will provide effective and attractive facilities, top level services, and innovative and interesting programs. The State Room will continue to provide a first class facility and service amenities in support of the ISU Board of Trustees for both their public and private meetings.
