## Vision Statement

[View/Modify Vision](#)

**The following is your vision statement loaded from previous submissions. Some administrative units, but not all, may wish to revise their vision statements based on the direction of the University toward pre-eminence. If this pertains to you, then please make changes in the box below:**

The Office of Alumni Affairs and the Alumni Association of Indiana State University will be the advocates for the interests of alumni in the progress of the University and the conduit for the dissemination of the needs of the University to its graduates. To meet this vision advances will be made in communicating with alumni through face-to-face contacts, printed materials, and electronic newsletters. Alumni in return will have increased presence, respect, and voice in regards to campus issues and progress.
